To Whom It May Concern

Manawatu Muffler Centre

I have dealt with Manawatu Muffler Centre since 1996, during which time they have provided my business with excellent support in all areas involving exhausts and towbars repairs. Their work is always of a very high standard and work is always completed within necessary time frames.

I find the staff both friendly and professional and experts in their field.

I can confidently recommend Manawatu Muffler Centre as a reliable, honest company and look forward to dealing with them for many years to come.

Yours Faithfully
